THE INSPIRATION

Da Taglia is born from the combination of natural, architectural and all daily elements, with the most glamorous of DaVinci, precious metals.

Da Taglia nace de la combinación de elementos naturales, arquitectonicos y cotidianos, con lo más glámuroso de DaVinci, los metales preciosos.

THE BASE

Negro Mate

“You can choose the timelessness and look for the essence and not the appearance.

Appearance is transitory
but the essence is timeless”

“Se puede lograr la atemporalidad
si se busca la esencia de las cosas
y no la apariencia.

La apariencia es transitoria
pero la esencia es atemporal”
